Skills for Action: Advocacy 101

March 13th, 2017 | 5-8pm | Gilsland Farm Audubon Center | Falmouth, ME

Join us as we investigate conservation advocacy with three expert advocates from the Environmental Priorities Coalition. You will learn about current issues, threats and conservation legislation at the state and national level. You will gain a deeper understanding of the limits and details of legal advocacy for non-profits in Maine. You will take away skills and activities you and your organization can use to start making a difference right now.

Food and drink will be provided

RSVP by March 8th via email at: conservationcollaborative@gmail.com

SMCC's Member Events happen throughout the year and focus on addressing shared needs and vision along with providing relationship building opportunities

The event is Free to all staff and volunteers of SMCC's 20 Member Organizations
For Non-Members a \$10 suggested donation is requested
