Southern Maine Conservation Collaborative Summer 2015 Workshop

SMCC RAPID FIRE—Problem Sharing

Building community & fostering dialogue to solve pressing issues

Join us for the first SMCC RAPID FIRE EVENT fostering dialogue to solve pressing issues our Collaborative Members are facing. At our June event, there will be four different topics for discussion. Prior to each discussion a short presentation will introduce a problem one of the SMCC Member organizations is grappling with. They will give a 5-10 minute presentation. After each presentation the group of attendees as a whole will discuss the issue by sharing experiences, ideas and advice to help find possible solutions to the problem.

SMCC RAPID FIRE TOPICS:

Acquisition Checklist: Managing hazards on soon to be donated parcels

-Mike Parker, Board President Presumpscot Regional Land Trust

Public Relations: Who is out there and who is doing what?

-Ken Buechs, Vice Chair Biddeford Conservation Commission

Advocacy: Where does it fit in?

-Eric Topper, Education Director Maine Audubon

Invasive Species: To manage or not to manage?

-Melissa Anson, Board Member Scarborough Land Trust
